Be It Known, that we, the undersigned Selectmen of Newbury, desire on the part of the Town to thank Thomas J. Leach for his generous gift to the Town of a building lot at Newbury on which the town is to build a Fire Engine House. Mr. Leach is a citizen and lifelong resident of the town and having been elected to and having served in nearly every office that the Town could give.

Mr. Leach is now eighty years old and is the only surviving member of a family of ten children of Cyrus B. and Roxana T. Leach; they being lifelong residents of said Town of Newbury; also a grandson of the late Dr. William and Mary Baker Leach, who settled in the northern part of Fisherville, now Newbury, nearly or quite one hundred and fifty years ago, and being the parents of ten children the descendants of which are now scattered from the Atlantic to the Pacific, the matter of which is deserving of much thought.

## Report of the Superintendent.

*To the Members of the School Board:*

GENTLEMEN—

I have the pleasure of submitting herewith my third annual report. The teachers employed during the year were as follows:

School	Teacher	Training	Experience	Cred.	Salary
Center....	Florence H. Symonds..	2s	15 yrs.	Cert.	\$900
South ....	Helen C. Colburn.....	2s	7 yrs.	Cert.	900

Following are the attendance statistics for the year:

	Center	South	Total '26-'27	Total '25-'26
No. half-days in session .....	346	346	692	696
No. half-days lost.....	14	14	28	24
Total pupils registered .....	31	16	47	46
Average membership .....	21.98	14	35.9	33.9
Percent of attendance .....	95.2	94	94.8	92.1
No. of tardinesses.....	1	27	28	38
Av. No. tardinesses per pupil....	.4	1.9	.76	1.1
No. visits of school board.....	2	4	6	7
No. visits of superintendent.....	30	33	63	61

2. An increase of 2.71 in percent of attendance;
3. A decrease of 10 in the number of tardinesses, and a decrease of .34 tardiness per pupil.

The total number of pupils residing in the district and attending public schools was 51. Of these 47 were enrolled in the schools of the district and 4 in the schools of nearby towns as follows:

Bradford elementary, 1; Warner High School, 3.

The honor roll of perfect attendance is as follows:

*One Year*—Stuart Carter, Alice Croteau, Irene Croteau, Marjorie Muzzey, Virginia Russell.

*Two 12-week Terms*—Viola Black, Bernard Croteau, Helen Jones, Barbara French, Walter Rogalski.

*One 12-week Term*—Lyla Black, Henry Bushway, Lillian Croteau, Adele Rogalski, Winfred Scott, Robert Stearns, John Wilhelm, Richard Wilhelm, Robert Wilhelm, Janet Muzzey.

Following is the report of the annual medical inspection by V. Florence Chadbourn, R. N.:

No. pupils examined .....	37
No teachers examined .....	2
Cases of—	
Defective vision .....	1
Skin disease .....	3
Pediculosis .....	1
Defective teeth .....	21
Hypertrophied tonsils .....	10
Defective breathing .....	1
Unvaccinated .....	5

It will be noted that about 56% of the pupils examined have defective teeth. A large part of this might be corrected by holding a dental clinic. To those who are unable to pay the full expense of this it is possible that the local Red Cross might give assistance.

In June the following pupils were graduated from the eighth grade:

*Center School*—Lillian M. Croteau, M. Grace Eaton,  
Nellie C. Mason, Stephen A. Starkey.

*South School*—Stuart Carter, Everett Brown.

Diplomas were presented to these pupils at the graduating exercises held in the Town hall on June 17.

The new building for the Center school has proven very satisfactory. There are few one-room rural schools in the state so well equipped and housed.

The cement basement provides a good place for play on stormy days; the lunch room with its cookstove and utensils permits the serving of adequate hot dishes for the pupils during the cold months. The chemical toilets warmed by the furnace show a striking contrast to the frosty old-fashioned outhouse to which pupils had to wade through snow-drifts. The Thompson posture chairs and table desks enable pupils to keep a good position. They do not permit pupils to slide down and sit on their backbones, but assist in preventing curvature of the spine. The room is properly and abundantly lighted from the left of the pupils. The entire building inside and out is finished in a pleasing and suitable manner.

Behind the schoolhouse is an ample playground where pupils are free from the danger of passing autos. In front there is space for an attractive lawn. There are swings and teeter-boards where pupils may find fun and exercise.

This school has good pictures on the walls, a 12-inch globe, plenty of good maps, a new large dictionary, and a fine victrola with records. Every citizen who has not yet visited here should do so in the near future. It is a building of which the district may well be proud.

In the South School new equipment consisting of maps, a 12-inch globe, a large dictionary, teacher's desk, and two excellent book cupboards has been added. Tables and chairs

like those at the Center school might well take the place of the old double non-adjustable desks in use in this school.

It has indeed been a pleasure to me to work with the board and the teachers for the advancement of your schools. We wish to thank the parents and the townspeople for the solid backing which they have given us.

Respectfully submitted,

JOHN A. SINCLAIR,  
*Superintendent.*
